

Index to Volume VIII

- Ability grouping, 251
 Academic success, 17, 51, 247, 275, 500, 506; *see also* particular subject field
 Acceleration, 251, 512
 Accidents, 266, 375; *see also* safety, emotions
 Accomplishment quotient, 244, 250, 308
 Accounting, bibliography, 200; financial, 142; for supplies, 390; higher education, 146; internal, 144; property, 144; *see also* budgeting, business administration, finance
 Achievement, and intelligence, 499; factors related to, 19; studies of, 498, 554; *see also* academic success, tests and scales, particular subject field
 Adapting instruction to pupils, 35, 60, 70, 525, 542
 Adjustment, surveys, 293
 Administrative units, 432
 Algebra, achievement in, 504; *see also* mathematics
 Anecdotal records, 515
 Apparatus, 380
 Appraisal, of buses, 428; of heating service, 373; of lighting, 401; of reports, 159; of school buildings, 420, 425
 Aptitudes, *see* academic success, vocational aptitude, particular subject field
 Arithmetic, achievement in, 504; development of concepts, 236
 Art, aptitude, 263; bibliography, 75; measurement, 8; needed research, 10; psychology of, 7; teaching of, 7; value of, 7; vocabulary, 9
 Athletic ability, *see* motor abilities
 Athletics, *see* health and physical education
 Attendance units, 126
 Attitudes, in American history, 72; measurement of, 46, 63, 269, 276, 312, 545; scientific, 63; social, 67; surveys of, 298; *see also* racial prejudices, religious attitudes
 Auditorium, 382
 Automobile driving, 263; *see also* safety
 Aviation, aptitude, 265
 Bibliographies, accounting: financial and property, 200; applications of intelligence testing, 327; applications of tests of non-intellectual functions, 353; art, 75; budgetary procedure, 199; character education, 75; commercial subjects, 77; cost of school buildings, 480; court decisions in the school plant field, 488; developments in statistical methods related to test construction, 357; developments in test scoring and analysis, 564; education and psychology, 80; educational costs and their analysis, 201; educational measurement movement in perspective, 565; educational prevention, diagnosis, and remediation, 558; English language, reading and literature, 81; equipment, apparatus, and supplies, 471; essay-type test, 559; financial implications of school organization, 196; financial planning, 194; financial reporting, 202; foreign languages, 87; foreign school buildings, 481; health and physical education, 88; heating, ventilation, and sanitation in school buildings, 476; home economics, 90; improvement of classroom testing, 560; industrial arts, 92; insurance, purchasing, and stores management, 205; intelligence tests, 318; mathematics, 95; music, 96; operation and maintenance of the school plant, 466; personality and character measurement, 340; plant development for higher education, including junior colleges, 483; pupil transportation equipment, 485; recent literature on testing, 568; salary scheduling, 204; school illumination, 477; science, 97; social studies, 98; state studies of local school units as related to the school plant, 486; status of research in the school plant field, 490; studies of educational achievement, 554; support of education: federal, state, and local funding, 206; support of education—major problems, 190; technics of school building surveys, 483; tests and studies of infants and young children, 320; trends in school architecture and design, 487; vocational aptitude tests, 334
 Bilingual pupils, *see* nationality
 Birth rates, 243
 Blackboards, 379, 412; lighting, 380
 Bonds, court decisions, 453
 Bookkeeping, teaching of, 17
 Budgeting, 120, 133; bibliography, 199; evaluation, 134; *see also* accounting, business administration, finance, planning
 Buildings, *see* school buildings
 Business administration, 146, 379; evaluation of research, 187; needed research,

- Bilingual pupils, *see* nationality
- Birth rates, 243
- Blackboards, 379, 412; lighting, 380
- Bonds, court decisions, 453
- Bookkeeping, teaching of, 17
- Budgeting, 120, 133; bibliography, 199; evaluation, 134; *see also* accounting, business administration, finance, planning
- Buildings, *see* school buildings
- Business administration, 146, 379; evaluation of research, 187; needed research,

- 187; *see also* accounting, budgeting, finance, purchasing, transportation of pupils
- Business management, 391; *see also* accounting, equipment, inventory, maintenance, operation, purchasing, school buildings, supplies
- Cafeteria, *see* lunchrooms
- Causation, 310; *see also* correlation
- Capital outlay, 122; and size of administrative unit, 432; court decisions, 453; federal support for, 179; for higher education units, 458; state support for, 183; *see also* debt service, finance
- Character, bibliography, 75; education, 11, 40; measurement of, 269, 302, 340; *see also* moral behavior, social adjustment and behavior
- Cheating, 11, 13, 285
- Checklist, for behavior, 514; for buildings, 422; for fiction, 30; of building costs, 411; for economy, 374; for maintenance, 378; for safety, 375
- Child psychology, *see* preschool children
- Civic training and attitudes, *see* social studies
- Class size, 511
- Cleaning, *see* blackboards, floors, laundry, operation of school plant
- Clerical aptitudes, 257
- Clothing, *see* home economics
- College, *see* higher education
- College teaching, 19, 25; *see also* particular subject field
- Commercial subjects, bibliography, 77; equipment, 386; prognosis, 17; teaching of, 15
- Community use of school plant, court decisions, 457
- Composition, *see* English
- Conservation, 69
- Consolidation, 127, 432; *see also* school districts
- Consumer education, 44, 69
- Contemporary problems, 14
- Cooperative testing, *see* regional testing
- Correlation, of abilities, 225, 235, 244; statistics, 308; *see also* causation
- Cost, bibliography, 201; of buildings, 408; of education, 148; *see also* finance, unit costs
- County units, 1, 131, 432
- Court decisions, on finance, 451; on insurance, 455; on purchasing, 451; on school buildings, 451, 488
- Criticisms, of measurement, 545; of research, 497
- Current events, 72
- Curriculum, *see* particular subject field
- Debt service, 113; *see also* capital outlay, finance
- Delinquency, 254, 303; *see also* moral behavior
- Development, *see* genetic studies
- Diagnosis, 513; in arithmetic, 505
- Difficulty, *see* reading, vocabulary
- Documentary frequency studies, 69
- Drawing, 501
- Economics, 167, 373, 395; through reorganizing districts, 127; *see also* consolidation, finance
- Educational Policies Commission, 128
- Educational tests and their uses, 493-596
- Emotions, and accidents, 266; and driving, 263; development of, 237; variability, 293
- Engineers, 369, 379
- English, achievement in, 506; bibliography, 81; composition, 25; errors, 26, 28; freshman course, 25; grammar, 18, 26; high-school curriculum, 25; measurement, 27; objectives, 26; prognosis, 25; teaching, 25; usage, 27; *see also* literature
- Environment, and intelligence, 235, 241; and personality, 238; and academic success, 248
- Equalization, *see* local support, federal support, state support
- Equipment, 380; bibliography, 471; *see also* lighting, seating
- Errors, *see* particular subject field
- Essay tests, *see* tests and scales
- Eugenics, 243
- Evaluation, of budgets, 134; of fiction, 30; of periodicals, 31; of research, 34, 187; *see also* measurement
- Evaluation Staff (of the Progressive Education Association), 514, 534, 544
- Excursions, school, 70
- Experimentation, measurement in, 497
- Experiments, 310; on infants, 229
- Extermination of pests, 375
- Factor analysis, 231, 239, 257, 286, 297, 307, 312; criticisms of, 545
- Family relations, 44, 293

- Federal support of education, 108, 124, 171; for parochial and private schools, 180; *see also* finance
- Finance, evaluation of research in, 187; needed research, 140, 187; protection of funds, 158, 186; reports, 154, 202; *see also* accounting, bonds, budgeting, business administration, capital outlay, costs of education, debt service, economies, insurance, junior colleges, legislation, salaries, support of education, taxation, transportation of pupils, tuition fees, unit costs
